

CONTENTS

Introduction	ix
1. The origins of biodynamics	1
2. The biodynamic preparations 500–508	11
3. Biodynamic compost 502–507	79
4. Dynamizing (stirring)	93
5. Other biodynamic sprays and techniques	103
6. Plant teas, decoctions, liquid manures, oils and other alternative treatments	125
7. Working to celestial rhythms	141
8. Certification	159
Appendix I – Tasting wine by the moon	185
Appendix II – Studying biodynamics	187
Notes	189
Index	217
